Shirazush Salekin Chowdhury has received his B.Sc. in Electrical and Electronic Engineering (EEE) from American International University-Bangladesh (AIUB) in 2019. He is also pursuing his M.Sc. in EEE from AIUB. Mr. Chowdhury is a graduate student member of the Institute of Electrical and Electronics Engineers (IEEE). Current, he is working a design engineer in Ulkasemi Pvt. Limited. His research interest includes artificial intelligence, VLSI circuit design, semiconductor device, etc.

Nahian Binte Hossain has completed her B.Sc. in Electrical and Electronics Engineering in 2020 from American International University-Bangladesh (AIUB). Currently, she is working as a VLSI engineer in Ulkasemi Pvt. Limited. Her research interest includes VLSI circuits and Biomedical electronics.

Tamal Saha was born in 8th August 1998. He passed his SSC and HSC from BPATC School and College in 2013 and 2015 respectively. He received his B.Sc. in Electrical and Electronics Engineering from American International University-Bangladesh (AIUB) in January, 2020.

Jannatul Ferdous was a student of American International University-Bangladesh (AIUB) in EEE. She finished her bechelor's degree in 2019 and HSC in 2014. She has participated in a couple of seminars and workshops during her undergraduate program. She was working as a public relations coordinator in AIUB Community of Engineering Students-ACES. Currently, she is working under a freight forwarding company.

Md. Saniat Rahman Zishan received B.Sc. in Electrical and Electronic Engineering and Master of Engineering in Telecommunications degree from American International University-Bangladesh (AIUB). On September 2009, he started his teaching career as a lecturer in AIUB. At present he is serving as an Associate Professor at the Department of Electrical and Electronic Engineering (EEE) & Computer Engineering (CoE) of AIUB. He is also serving as the Head of CoE Department. He is enrolled for PhD Degree at Universiti Sultan Zainal Abidin, Malaysia. Mr. Zishan is a member of the Institute of Electrical and Electronics Engineers (IEEE) and Institution of Engineers, Bangladesh (IEB). His current research interest includes Wireless Communication, Signal Processing, E-Health System, Telemedicine, Robotics and AI.
