Rifath Mahmud was born on October 15, 1996 in Chattogram, Bangladesh. He received his B.Sc. in Computer Science in 2018 and M.Sc. in Computer Science in 2019 from American International University- Bangladesh (AIUB). Currently, he is working as a Lecturer at the Department of Computer Science at American International University Bangladesh (AIUB). His research interests and passion are mostly based on Computer Vision, Image Processing, Data Analysis, Data Visualization, Artificial Intelligence, and Machine Learning.

A.F.M. Saifuddin Saif received Ph.D. from Center for Artificial Intelligence and Technology (CAIT), Department of Industrial Computer, Faculty of Information Science and Technology, University Kebangsaan Malaysia (UKM) – The National University of Malaysia in 2016. Dr. Saif served as PhD research fellow from 2013 till 2015 under various research projects. He received "Outstanding Researcher and Graduate on Time Award (G.O.T.)" from Center for Artificial Intelligence and Technology (CAIT) for his outstanding PhD research. He received M.Sc. in Computer System Engineering (Software System) from School of Architecture, Computing and Engineering (ACE), University of East London, UK in 2008. Dr. Saif received Best Student Award for his excellent performance during Master study. Dr. Saif received Bachelor of Science (Eng.) degree in Computer Science and Engineering from Shahjalal University of Science and Technology, Bangladesh in 2008, respectively. Most of his contributions in Computer Vision and Artificial Intelligence Research field were published in ISI Q1 journals. He has published many papers in ISI indexed Journals; Scopus indexed Journals, Book Chapters, Conferences, and Proceedings. He served as Technical Committee Members, Reviewers, Guest Speakers, Session Chairs in many Conferences and Workshops. Currently, he is Senior Assistant Professor in department of Computer Science, Faculty of Science and Technology, American International University Bangladesh (AIUB). Before joining the university, he did Post Doctorate at Faculty of Information Science and Technology, University Kebangsaan Malaysia. He spent more than 6 years in IT industry such as Advanced Software Development, Web eMaze etc as IT researcher. His research interests include Image Processing, Computer Vision, Artificial Intelligence, Augmented Reality, 3D Reconstruction, and Medical Image Processing.

Dipta Gomes was born on March 29, 1994 in Dhaka, Bangladesh. He has completed his B.Sc. in Computer Science in 2018 and M.Sc. in Computer Science in 2019 from American International University- Bangladesh (AIUB). Currently, he is working as a Lecturer at the Department of Computer Science at American International University Bangladesh (AIUB). His research interest includes Graph Theory Algorithms, Computer Vision, Machine Learning, and Image Processing.
